COLORSCOPE

let our color palette tell you more about yourself

sunshine

Highly imaginative, your positive energy is magnetic! You have a great sense of humor, fueled by your bright mind and spontaneous nature. But beware, you tend to shun responsibility and, at worst, are cowardly.

curry

You enjoy life and good health to the fullest. Be careful of those around you, your personal power and financial success can overwhelm them.

chartreuse

Grand adventures are part of who you are. You are assertive with powerful energy. People feel like they are your close friends moments after they have met you. You explore the inner meaning of life.

moss

You are so good at making decisions. You have great strength and conviction in your beliefs. People have a hard time figuring you out, but can always count on you for a crazy adventure.

sage

You listen carefully to everyone around you but really listen for information and details, not emotions. You have amazing logic. You need to find refuge—a place for yourself. P.S. You are also a flirt.

pool

You are the one that everyone should ask for advice because you stay objective and don't get petty. You need space and like opinions, especially in love relationships.

peacock

Patient and serious you do love to explore but you worry about what you'll find. Oftentimes you're inflexible, but the flip side is you are compassionate and loyal.

night

You are traditional and reserved on the surface, yet you are a renegade at heart. Your demeanor is steadfast and mysterious. Popularity is not important to you—which makes you all the more enticing to others.

lake

You are very attractive, talkative and have beautiful, expressive eyes. One of your greatest assets is your sincere love for those around you. You are in touch with your emotions and help others get in touch with theirs.

bluebell

You have a classic style, are a romantic, easy to love, and people find you appealing. Some may think of you as quiet, but you are really thinking deeply about what is going on around you, and then coming up with the perfect solution.

beet

You are inspirational. You are sympathetic and empathetic. People love to be around you because you make them feel important.

persimmon

Your passion and mature energy draw people to you! However, your curiosity and love of life can cause you to be restless even though you are essentially grounded.

papaya

A great champion of the helpless and defender of the underdog, you have an amazing ability to get things done, as well as to fix things.

poppy

You are a dedicated party person who hides your sensitive and sentimental side. Although you are pessimistic about your personal dreams, you are incredibly skilled at innovation. You are fearless in your dress and put together the most unusual combinations.

blossom

You are able to gently say the things that your friends need to hear. You have a lovely smile but you need to smile much more often. You are too serious and you need to be more tolerant of failure—both in yourself and in others.

plum

Your appearance is amazing—you always know what looks good on you. You are charming, concerned with the reaction of others and find balance in life. When in a bad mood you may have the tendency to see only the negative.

strawberry

You are very lucky with opportunities appearing like magic. You are an enchanter, attracting people to you. You are open and enthusiastic.

fuchsia

Courageous and passionate, you have a playful side that balances your serious and spiritual nature. You are confident and not afraid to take action. Remember that the journey is often more important than the outcome of your endeavors.

red

You know who you are and what you want. Popularity, money and power are all yours. You are kind and generous to your friends. You love to have fun at parties, especially if you are in charge. You are also a perfectionist and you state your opinions boldly.

fig

Conservative and down-to-earth, your mysterious regal persona is very intriguing. You're known to be a reliable friend and driven worker, though your creative nature can cause you to be a bit impulsive.

chocolate

You are down to earth, comfortable with who you are and have a great ability to find joy in life. You don't take things personally, you rebound from failure, and go for what you want.

black

You are highly emotional and very loyal to your friends. You are disciplined, an overachiever and very serious. You have a keen understanding of the past and are aware of why things happen the way they do.

paper bag

Driven by your conscience, you are a levelheaded decision maker—guiding you well at work and in love. Though, you're known to plant your feet in the ground when asked to be flexible.

khaki

As an activist you have the power to change the world. Both admired and loved as a friend, you must learn to appreciate both yourself and what you have accomplished.

gravel

Pressure stimulates you and you like setting goals for yourself. You are exciting, curious and are great at parties. You surround yourself with lots of unusual people and have loose boundaries.

cement

Committed to making the world a better place, you have strong faith and a calming effect on your friends.
